## LSEC Member Community

### 1. (Core) Expert Members

1. **International Large**  
multi-service, multi-product companies  
(EMC/RSA, IBM, CA, Symantec, E&Y, ...)
2. **International focused Medium**  
Belgian and non-Belgian  
Information Security focused companies  
(Vasco, Utimaco, Zetes, Safeboot, ...)
3. **Belgian Information Security focused**  
product and services companies  
(Ascure, DSoft, 4all Networks, ...)

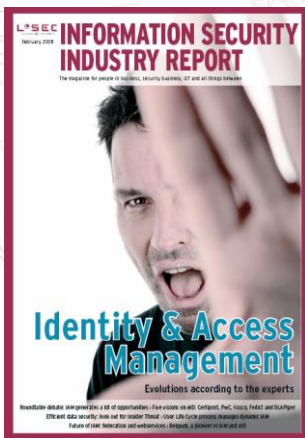

2. Enterprise Members
3. Individual Members
4. (Website Members)

Increase in number of start-ups and small companies !
